A Smarter Laundry Experience

Self-serve IoT powered Wash + Hot Dry kiosks for office campuses, with an interactive mobile app that helps employees get clean, dry clothes without waiting on dhobis or giving up their weekends.

Why Employees Need This

Weekends get consumed by chores

Pickup-drop is delayed & unpredictable

Monsoon drying, damp smell & re-wash

Limited drying space in many homes

*Fresh, warm clothes in under **60 minutes!**

What Each Employee Get

- Save up to 4 hours per week
- 80% wrinkle-free clothes
- Smart App for live availability tracking with completion alerts
- Super affordable compared to dhobis or dry cleaners

*Estimated time taken for a standard laundry cycle.

How WashTym Works
